- UPS and FedEx are the primary shipping carriers that we use. During busy holiday season (Mid November thru December) exact delivery times are not guaranteed for most services and orders could possibly be susceptible to delays due to increased seasonal shipping volumes.
- It is the customer's responsibly to ensure that all billing & shipping addresses are complete and correct with Apt #, Unit #, etc. if applicable.
- Upon packaging orders, we may not ship our gift boxes as viewed in our gift brochure and website. If conditions allow we will include the pictured gift packaging. When conditions do not allow, for quality assurance we will repack our products into insulated boxes with frozen gel packs to help ensure that everything stays cool and fresh upon delivery.
- Non perishable shipping is available for orders that ONLY include nonperishable items. If your order includes ANY perishable items such as cheese, then you are only offered perishable shipping. This is because perishable items require extra insulation.
- If you have any questions about these shipping rates, check out the Frequently Asked Questions on our website or feel free to contact us at 1-800-243-3735.
