SHIPPING & HANDLING CHARGES
Orders shipped UPS or U.S. Postal Service Priority Mail to any destination in the U.S.A. Expedited delivery may be necessary to warmer climate states. All addresses must have complete street address, APT NO & also include PO Box or mailing address if different than street address. See Shipping & Handling chart for estimated transportation charges for UPS service. All products shipped at customer’s risk. Wilson’s Cheese will use the best choice to expedite and provide the most economical shipment method when shipping gift boxes/ items to ensure that your order is processed and delivered as quickly as possible, and passing on any savings to you.
- We use UPS Priority Mail Service for most of our shipments and gift package deliveries. By doing so, we will not ship our products as viewed on the web or in our gift box brochure with the pictured gift box containers. We will repack our products into insulated bags with ice packs and boxed to be shipped, ensuring quality protection of our products. When ordering, you may not receive the gift box pictured in our advertising. If you desire the gift box container as pictured, please request this when ordering.
- Insulated packing and ice packs will be used in most shipments when deemed necessary to ensure quality protection. Extra cost in handling charge for this service is $10.00 or more.
- Plus “Rural Delivery Surcharge” of $3.00 by UPS for certain destinations.
- Call for shipping price on 3-Day, 2-Day, & 1-Day Delivery Service.
