Since 1939, Wilson’s Cheese Shoppe has been a destination point for numerous northbound travelers who delight in a vast array of Michigan made cheeses, perfectly seasoned sausages & meats, fine wine, cheese spreads, candy, gifts and of course FUDGE!

Located in Pinconning, Michigan, Wilson’s Cheese Shoppe is home to the uniquely flavored Pinconning Cheese. Produced under our special formula, Pinconning cheese starts out as freshly made, squeaky mild to super sharp cheese, that is aged over six years or more. This unique production process gives our cheese it’s famous and unique flavor and has remained unchanged since its introduction to our area in 1915.
